Zoom Online Meeting, Presented by Trix Bruce (Deaf)

This webinar effectively guides interpreters working on English-to-ASL skills. Challenges in rendering ASL from English source material are refined by expediting *visual thinking* skills. Boosting mastery of a wide range of classifiers facilitates visual imagery. This workshop will have several hands-on practice activities and group discussions

Starkloff Disability Institute (SDI) is seeking to hire a Deaf & Hard of Hearing Outreach Coordinator. This position will help create meaningful relationships between SDI and the Deaf & Hard of Hearing community and build new connections within our programs. Would you please share the attached job listing with your organization and network? Interested candidates may apply by emailing a cover letter and resume to me at bchao@starkloff.org. University of Minnesota: Drive to Discover - The goal of this study is to assess the preparedness of audiologists to work with people with disabilities from the point of view of persons served, audiologists, and audiology education programs. This project is being conducted by myself, under the supervision of Dr. Evelyn Davies-Venn at the University of Minnesota Twin Cities.

This particular survey is intended to be taken by individuals with disabilities or their caregivers. Participants who complete the survey will have the opportunity to be entered into a drawing for a \$50 Amazon e-gift card! The survey will only take 5-10 minutes to complete.

To disseminate the survey, you can share the following link via a newsletter, email blast, social media post, or any other way that you see fit. I have attached a sample email you could use if you wish, but feel free to modify it to suit your organization and its audience.

Please feel free to contact me if you have any questions.

2022 TDI Scholarship Now in its fourth year, the TDI Communication Access Scholarship Program is accepting applications. This program is available to all deaf and hard-of-hearing students graduating from high school this year. The scholarship application encourages deaf and hard-of-hearing students to innovate and bring forth ideas for addressing the communication challenges that the deaf and hard-of-hearing community faces.

“We hope that through disbursing scholarship, more deaf and hard of hearing youth leaders are given a head start to making an impact on advocating for accessibility, equity, and inclusion in information and communications technology,” said Mei Kennedy, TDI Scholarship chairperson. “Last year, we awarded six outstanding individuals and hope to see a growing number of applicants.”

All deaf and hard of hearing graduating high school seniors can apply online at TDIforAccess.org/Scholarship before **May 13, 2022**. Applications can also be mailed and must be postmarked by the deadline. Applicants will be notified before September of the award. For full scholarship details on eligibility, requirements, and application, visit [TDI For Access - Scholarship](#)
